Technical drawing of a 4x3 array of digipips. The main view shows a rectangular array with dimensions: total width 28.0, total height 11.0, and a central area of 7*3=21. A 10-degree angle is indicated for the first column. A detail view on the right shows a single digipip with labels A, B, C, D, E, F, G, and DP.
